Dear Customer,

A cyber-attack earlier in the year resulted in a period of estimated utility bills. We have returned to actual meter readings. You are welcome to spread any balance due over the next ninety days. No penalty will be assessed to your account. If you have a past due balance during this period, you will not be shutoff. Again, no penalty will be assessed to your account, but the billing process and information on your bill will be presented in the usual manner.

Thank you for your assistance. If you have any questions, please call 740-636-2344.

Joe
